Agenda

Class 06 Dec 2022 13:15-16 in room 4-0-05 at the Bio Center.

Bring your Windows laptop.

Work on the assignment from Ugeseddel 5

Notes

If you use 64 bit Excel, make sure to update your solution file from the week 4 folder. It contains a memory fix that prevents the xll from crashing when a certain memory threshold is reached for the XLOPER objects.
